

You're Invited:

Smith Valley Road Public Information Meeting

Come learn about Johnson County's future improvement plans for Smith Valley Road between Interstate 69 and State Road 135.

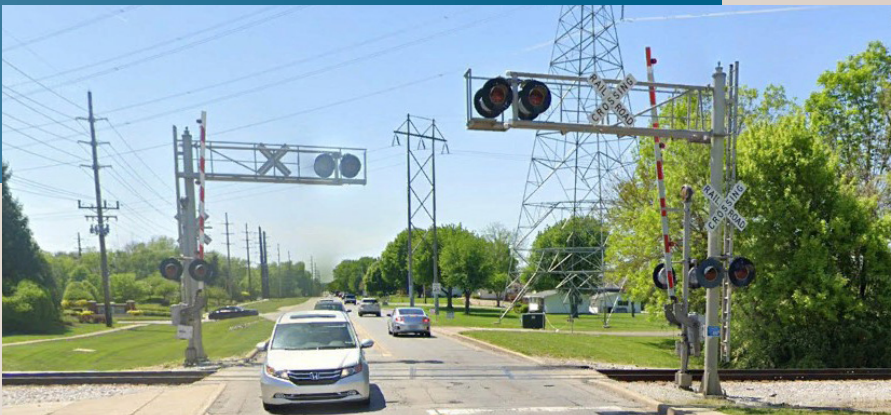

The project aims to accommodate the changes from Interstate 69, improve overall safety along the corridor, and improve traffic flow at intersections. Proposed construction for the project is currently anticipated to begin in 2027.

What: Public Information Meeting

When: Wednesday July 16th, 6:30 to 8:00pm

(Doors open at 6:00pm)

Where: Center Grove High School, Main Auditorium (2717 South Morgantown Road, Greenwood, IN)

The meeting will provide an opportunity for the public to interact with the project team and receive the latest information about the project. Displays will be available in the Hall of Excellence for attendees to view after the presentation.

Project Information, including the presentation, will be available online after the meeting at www.smithvalleyroadway.com
